

**Circular for Mini. K. G. to Std.10  
February to May 2026**

"Education is the manifestation of the perfection already in man. It builds character, confidence and strength."

Swami Vivekanand

As we come to the close of the academic year, we are pleased to reflect on a year filled with learning, growth, and joyful participation. Our students experienced a well-balanced mix of academic engagement, co-curricular activities, and memorable moments, including the annual picnic.

Our students also showcased their athletic talents, participating in various competitions and bringing home numerous medals from the Urja Sports Competition. The School Sports Week was a resounding success, with all students demonstrating exceptional teamwork and sportsmanship.

As we gear up for a last semester of this academic year, we are excited to share our upcoming academic events and activities. Please find below the detailed circular outlining our plans for the coming months:

We look forward to a productive and enriching semester ahead!
