Vision English Medium School

Circular for July and August - 2026

A warm welcome to the beginning of another exciting academic year!

On behalf of our entire teaching and non-teaching staff across the Pre-Primary, Primary, and Secondary sections, we are delighted to welcome you and your family to VISION.

We sincerely thank you for the trust and confidence you have placed in us to guide and educate your child. It is a responsibility we embrace with dedication, compassion, and care. Every new academic year marks the beginning of a fresh journey filled with opportunities for learning, discovery, and growth, and we are excited to embark on this journey together.

At VISION, our curriculum is thoughtfully designed to extend beyond academic excellence. We are committed to nurturing the holistic development of every child by fostering essential life skills while instilling a deep appreciation for our rich Indian values, culture, and traditions.

To bring this vision to life, our academic calendar features a vibrant array of cultural celebrations, co-curricular activities, and student competitions. By celebrating our festivals and heritage, we strive to keep our children connected to their roots and develop a strong sense of identity and pride. Our competitions are thoughtfully planned to encourage healthy, positive competitiveness, providing students with meaningful opportunities to discover and showcase their talents, build confidence, and cultivate the values of teamwork, resilience, and sportsmanship.

We firmly believe that a child's success is built on a strong partnership between the school and parents. We look forward to your continued support and collaboration as we work together to create a nurturing, inspiring, and positive environment where every child can learn, grow, and truly blossom.

Together, let us make this academic year a memorable, enriching, and successful one for every child.

Calendar:

We are delighted to introduce our school calendar for the academic year 2026-27, beautifully designed around the theme '**Ganitayan: From Zero to Infinity - Discovering the Magic of Mathematics Around Us**'.

Far from being just a tool to log homework or check holidays, this year's calendar serves as an interactive journey to show our students that mathematics is beautiful, logical, and deeply connected to nature and art. Throughout its pages, children will explore:

- Inspirational stories of great Indian mathematicians (like Aryabhata).
- Fascinating real-world applications, such as the maths hidden in seasonal patterns, rainfall tracking, nature's Fibonacci spirals, and traditional *Rangoli* art.
- Fun puzzles, hands-on activities, Vedic Maths tricks, and interactive QR codes linked to educational videos.

We encourage you to go through the initial pages with your ward. Let us embark on this exciting journey together to foster curiosity and build a lifelong love for learning!

Please find below the important pages to review and fill:

- Important pages to be read and signed by the parents:

Page number 5: Parents are requested to fill in the details of the student's particulars.

Page number 7: The parents who wish to help the school for judging various competitions, sports coaching, teaching assistance, etc., are requested to fill in the details.

Page number 37: Fill in the details regarding height and weight of your ward.

- Read the rules and regulations on **page numbers 24-34** carefully.
- Kindly sign on **page number 34** as an acknowledgement.
- Regularly check the calendar for remarks, notes, and homework assigned by teachers.

Gate Pass

Parents need to carry this pass whenever they visit the school. Carrying this pass will help to save the time of making the entry in the register, at the gate.
