Vision English Medium School

"एक पणती कृतज्ञतेची, एक प्रार्थना सैनिकांच्या सुरक्षिततेची!"

As we celebrate the Festival of Lights with joy and togetherness, let us also pause to remember the brave soldiers who stand as vigilant guardians of our nation's borders, protecting us with unwavering courage, dedication and sacrifice.

It is because of their selfless service and tireless vigilance that we enjoy the blessings of peace, security and freedom, celebrating our festivals in the warmth and comfort of our homes, surrounded by our loved ones.

This Deeputsav, let us light not just a lamp, but a flame of gratitude, respect and heartfelt prayer for these unsung heroes.

We earnestly request every student and parent to bring at least one panati (traditional earthen lamp) from home and light it on the school ground as a humble tribute to our courageous soldiers.

May the collective glow of these countless little flames carry our gratitude to the farthest corners of our nation's borders. May each flickering flame be a silent prayer to the Almighty to illuminate the lives of our brave soldiers, protect them from every danger and bless them with strength, safety and well-being.

Let our Deeputsav become a celebration not only of light and happiness, but also of patriotism, gratitude and the spirit of togetherness.

For every lamp we light in peace, there is a brave soldier standing guard in the darkness.

Let us light a lamp for those who safeguard the light in our lives.

Some General Instructions for Deeputsav: -

1. We request the parents to visit the school strictly between 5.00 p.m. and 7.00 p.m.
2. In case the students of the higher classes are going to come alone, we request the parents to ensure that they reach the school on time and reach home on time.
3. The 'Flame of Gratitude' activity will take place between 6.00 p.m. and 7.00 p.m. Every student and parent should bring at least one panati (traditional earthen lamp) from home and light it on the school ground
4. Students can wear decent Indian festive dresses adhering to the Indian culture and traditions.
5. Kindly note that due to the unpredictable weather conditions, the school will not be in a position for arranging any food stalls.
6. Safety and disaster management precautions will be taken by the school. Fire safety measures and emergency exits will be kept ready. In the event of an

emergency, we request the parents to ensure that the instructions of the disaster management teams are followed, and the students are helped to move to safe zones first.

We look forward to the presence of all the students and parents in large numbers as this would serve as an encouragement for our young creative minds.

Thank you.

Team Vision.
